CUSTOM CYCLE & SPORTSWEAR

Your purchase will help people living with multiple sclerosis get the vital support they need to meet their goals and live well, and ensure that no one has to face MS alone.

Whether you are a team of 5 or 50, you too can *#Ride2FightMS* in your very own CUSTOM TEAM KIT!

We have seen some amazing (and some crazy) design in years past. It all adds to the team's comradery on event day, and creates an excellent opportunity for sponsorship from supporters, local businesses and brands, which can further add to your team's fundraising.

And when you order with MS Custom, you get....

“It’s been a crucial element to our identity as most people will associate our colours (green, black and white) with our team. Also, it empowers the team as they feel part of something big...because they are! It also acts as an effective vessel to showcase our generous sponsors who get behind us every year.”

Kim Nguyen, president of the Soft Cogs, recognises this opportunity and has leveraged this to help promote his team’s supporters, giving them exposure to thousands of cyclists and hundreds of spectators on event day. Not to mention the recognition they get on the training rides.
